The goods and services that have been provided in connection with this blasting report are subject to the terms and conditions set forth or referred to below.

If customer and Austin have entered into a Blasting Services Agreement or other written agreement (a "Master Agreement") governing the performance of blasting services at this site, the terms and provisions of such agreement shall control, notwithstanding any other or any inconsistent terms or understandings between the parties.

EXCEPT AS EXPRESSLY SET FORTH IN THE MASTER AGREEMENT, THERE ARE NO WARRANTIES EXPRESS OR IMPLIED OFFERED WITH RESPECT TO THE GOODS AND SERVICES PROVIDED. THE STATED WARRANTIES OF AUSTIN ARE EXCLUSIVE AND IN LIEU OF ANY AND ALL OTHER WARRANTIES WITH RESPECT TO THE PRODUCT DELIVERED UNDER THIS AGREEMENT, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

In no event shall either party be liable to the other party in contract, tort or otherwise, for incidental, indirect, consequential or punitive damages related to the goods and services produced hereby. Without limiting the generality of the foregoing, neither party shall be liable to the other for any loss, or alleged loss, of profit or loss of operation or right to operate; provided, however, that this limitation shall not be construed as affecting any statutory right of contribution or right to indemnity set forth in the Master Agreement with respect to third party liability.

Any quantities set forth on the blaster's report shall be conclusive and binding absent manifest error.

These terms and conditions are set forth on the printed blasting report being delivered to customer by blaster.
